Dear Jonathan,

Congratulations on making the College of Science Dean's List for the Fall 2014 semester!

This is a significant academic accomplishment. It is often very difficult to achieve this level of academic honor when majoring in a program in Science. The College of Science has the highest academic standards and requirements at Southern Illinois University Carbondale for students on our Dean's List. Grades such as yours indicate your dedication as a student and a scholar.

I would like to take this opportunity to wish you every success in your future. The College of Science is proud to have you as one of our students. Again, congratulations on your achievement.

Sincerely,

Laurie A. Achenbach, Ph.D.
Dean
